3. CERTAIN AGREEMENTS

3.1 Delivery Dates

- 3.1.1 The current Scheduled Delivery Quarter or Scheduled Delivery Month, as the case may, of each Aircraft is set forth on Schedule 1. Frontier and AMCK Aviation will use their diligent good faith efforts to mutually agree on an amendment to Schedule 1 to insert identifiers in the form of final Delivery quarters or months, as the case may be, contract rank numbers and Manufacturer CAC ID numbers for each of Aircraft nos 1-6. Frontier will keep AMCK Aviation fully informed regarding, and will promptly notify AMCK Aviation upon receiving notice from the Manufacturer of (or of any changes to), the Scheduled Delivery Quarter, Scheduled Delivery Month or Scheduled Delivery Date of each Aircraft, and will notify AMCK Aviation of any actual or anticipated delays in respect of any of the foregoing. Without limiting the foregoing, Frontier will give AMCK Aviation written notice of the Scheduled Delivery Date of each Aircraft within two (2) Business Days of receipt of notice of the same from the Manufacturer which is expected to be approximately one (1) month prior to the actual Delivery Date. Following receipt of such notice AMCK Aviation will instruct its counsel to prepare drafts of the

Definitive Documents in respect of each Aircraft and the parties will diligently work towards finalizing such Definitive Documents in accordance with the terms hereof and thereof.

- 3.1.2 Frontier shall not take any actions or omit to take any actions that would cause the Delivery Dates for any Aircraft to be earlier or later than the relevant Target Delivery Period set forth on Schedule 1 hereto without the written consent of AMCK Aviation. For the avoidance of doubt, changes to the Delivery Date of an Aircraft that do not result from actions or omissions of Frontier and which do not require the consent or agreement of Frontier under the Purchase Agreement shall not be considered changes that require AMCK Aviation's consent under this Clause 3.1.2. If AMCK Aviation gives its consent to a change in the relevant Scheduled Delivery Quarter or Scheduled Delivery Month for an Aircraft, then the Target Delivery Period for such Aircraft shall, solely for purposes of this Clause 3.1.2, be deemed amended to mean such changed Scheduled Delivery Quarter or Scheduled Delivery Month.
- 3.1.3 If the Scheduled Delivery Quarter or Scheduled Delivery Month of any Aircraft is delayed beyond the first day of the Target Delivery Period for such Aircraft specified on Schedule 1 by more than six (6) months for any reason, then either party may, by giving not less than ten (10) days prior written notice to the other party, terminate its applicable commitment under Clause 2.1 in respect of such Aircraft. At the request of the non-terminating party by written notice to the terminating party received prior to the effectiveness of such notice of termination, the parties shall consult with each other in good faith for a period not exceeding one (1) week to determine whether a mutually acceptable alternative Delivery Date for such Aircraft can be agreed.

3.2 Inspection and Acceptance

- 3.2.1 Not less than two (2) months prior to the Delivery Date in respect of each Aircraft or such later date that may be agreed by AMCK Aviation, and subject to execution and delivery of a participation agreement based on the Manufacturer's standard form (the "**Participation Agreement**") (which may cover more than one Aircraft **provided that** AMCK Aviation has the ability to change the identified personnel thereunder), Frontier shall cause the Manufacturer to provide AMCK Aviation or an Affiliate of AMCK Aviation (as designated agent of the Lessor) with access to the Aircraft and the Aircraft's documentation (subject to the terms of the Participation Agreement) for the purpose of inspecting the Aircraft during the build and delivery process. Pursuant to the terms of the Participation Agreement, Lessor shall be permitted to inspect the Aircraft and the Aircraft's documentation, at the sole cost and expense of AMCK Aviation, to verify the Aircraft's condition during the build and delivery process and its compliance with the Specification, and to have at least two (2) observers participate on a flight test for the Aircraft and observe all usual ground acceptance tests. Subject to the foregoing having been made available to AMCK Aviation, AMCK Aviation shall complete the delivery

inspection of the Aircraft within a reasonable amount of time according to reasonable commercial standards so as to not delay the Delivery of the Aircraft.

- 3.2.2 If AMCK Aviation has any technical issues with the Aircraft, Frontier will work in good faith with the Manufacturer to rectify such technical issues to the reasonable satisfaction of AMCK Aviation, but so as not to cause undue delay to the manufacture and to the delivery process, unless such technical issues are such that the Aircraft is not in compliance with the Specification or the future value or re-marketability of the Aircraft is materially impacted.
- 3.2.3 If the Manufacturer notifies AMCK Aviation and Frontier that the Manufacturer does not intend to deliver any Aircraft because Airbus cannot correct any technical issues of the Aircraft or because in the opinion of the Manufacturer it is impracticable or prohibitively expensive to do so, and no other solution can be agreed between AMCK Aviation, Frontier and/or the Manufacturer, within five (5) days of receiving such notice AMCK Aviation will be entitled to terminate this Agreement, solely in respect of such Aircraft, by written notice to Frontier and neither AMCK Aviation nor Frontier shall have any further obligation or liability under this Agreement in respect of such Aircraft.
- 3.2.4 Frontier will not accept the Aircraft from the Manufacturer unless it has first consulted with AMCK Aviation, and AMCK Aviation has confirmed that it is also prepared to accept the Aircraft.
- 3.2.5 Neither AMCK Aviation nor any Indemnitee shall be liable for any losses arising from death or injury to any observer, representative or employee of Frontier in connection with any pre-Delivery demonstration flight or inspection of the Aircraft by Frontier or otherwise under the Purchase Agreement, unless caused by the willful misconduct or gross negligence of AMCK Aviation.
- 3.2.6 Frontier shall be liable for any losses arising from death or injury to any observer, representative or employee of AMCK Aviation in connection with any pre-Delivery demonstration flight or inspection of the Aircraft by AMCK Aviation or otherwise under the Purchase Agreement, unless caused by the willful misconduct or gross negligence of Frontier.

3.3 Purchase Price and Conveyance of Title

- 3.3.1 Subject to Clauses 2.2 and 2.3, AMCK Aviation will cause the relevant Lessor to make a payment to the Manufacturer on the relevant Delivery Date for each Aircraft in the amount of the Purchase Price for such Aircraft. Such payment shall be paid to the Manufacturer in satisfaction of the relevant Lessor's obligation under the Purchase Agreement Assignment for such Aircraft. Immediately upon payment of the relevant Purchase Price to the Manufacturer, Frontier shall cause the Manufacturer to deliver title to each Aircraft to the relevant Lessor as evidenced by delivery of the Warranty Bill of Sale for such Aircraft to the relevant Lessor. Frontier shall continue to perform and be solely liable for all obligations of the

buyer under the Purchase Agreement, including to make any advance payments or additional payments (other than the Purchase Price), if any, and Frontier shall otherwise take all actions as shall be necessary, to cause the Manufacturer to be paid the purchase price of the relevant Aircraft in full under the Purchase Agreement as and when due and to cause Manufacturer to deliver title to the Aircraft to the Lessor. Any excess of the Purchase Price due to Frontier over the amount due as purchase price to the Manufacturer under the Purchase Agreement and the relevant Purchase Agreement Assignment will be paid by Manufacturer to Frontier and handled separately between them.

- 3.3.2 At the time of purchase of an Aircraft by the relevant Lessor, simultaneously with and as a condition to Delivery, at no additional cost to AMCK Aviation or the relevant Lessor, Frontier shall cause good and marketable title to all BFE installed on or associated with such Aircraft at Delivery, including the BFE described in the Specification installed on the Aircraft at Delivery or to be installed immediately following Delivery, to be transferred to the Lessor free and clear of any Lien, pursuant to a warranty bill of sale in such form as is customary for such transfers, and reasonably acceptable to AMCK Aviation.
- 3.3.3 Frontier acknowledges and agrees that the Purchase Price for each Aircraft constitutes reasonably equivalent value within the meaning of Section 548(a) of the Bankruptcy Code and that AMCK Aviation and each Lessor are bona fide purchasers within the meaning of such Section of the Bankruptcy Code.

3.4 **Delivery Notice and Funding Indemnity**

- 3.4.1 Not less than four (4) Business Days prior to the Delivery Date in respect of an Aircraft (or such shorter period as AMCK Aviation may agree in its sole discretion), Frontier will give to AMCK Aviation a written notice of delivery (the "**Delivery Notice**") in respect of such Aircraft which will specify the proposed Delivery Date (the "**Notified Delivery Date**"). Such Delivery Notice may be revoked and re-issued in accordance with the terms of this Clause 3.4.1, but such revocation and re-issuance shall be without prejudice to Frontier's obligations under Clause 3.4.2 below.
- 3.4.2 If the Delivery Date in respect of an Aircraft does not occur on the Notified Delivery Date specified in any Delivery Notice in respect of such Aircraft, and such notice has not been revoked more than two (2) Business Days prior to such Notified Delivery Date, Frontier will indemnify AMCK Aviation and its Affiliates against, and within five (5) Business Days of written demand pay to AMCK Aviation and its Affiliates an amount equal to, any and all costs, expenses, losses or liabilities suffered or incurred by AMCK Aviation as a result of the Delivery Date not having occurred on the Notified Delivery Date, including any such costs, expenses or losses relating to AMCK Aviation's or any such Affiliate's raising of funds for the payment of the Purchase Price or breaking any such funding arrangements.

3.5 **Rights and Obligations concerning the Purchase Agreement**

- 3.5.1 Neither AMCK Aviation nor any Lessor shall have any obligation or liability under the Purchase Agreement by reason of or arising out of this Agreement or any Purchase Agreement Assignment other than to the extent expressly set out in each Purchase Agreement Assignment and only as and when executed and delivered by the relevant Lessor. Frontier confirms that it has performed and agrees that it will continue to perform all of its duties and obligations under the Purchase Agreement.
- 3.5.2 Neither this Agreement nor the assignment referred to in any Purchase Agreement Assignment shall constitute a novation of or delegation of obligations contained in the Purchase Agreement. Notwithstanding this Agreement and the Purchase Agreement Assignment, Frontier shall remain fully liable to the Manufacturer (to the same extent as if the Purchase Agreement Assignments and this Agreement had not been entered into) to perform all the obligations and duties of the buyer under the Purchase Agreement. For the avoidance of doubt, Frontier acknowledges that AMCK Aviation shall not assume or be responsible in any way for any pre-delivery payment arrangements made by Frontier, any of its Affiliates or any third party in respect of any Aircraft. In addition, Frontier is, and shall at all times remain, responsible for the procurement and timely delivery to the Manufacturer of, and payment for, all BFE set out in the Specification, and Frontier shall ensure that such BFE (except for the BFE expressly contemplated hereby to be delivered and installed on the Aircraft after the Delivery Date) shall be installed on the Aircraft on or prior to the Delivery Date.
- 3.5.3 Frontier shall comply in all respects with all laws to which it may be subject to compliance with which is necessary to ensure the continuing validity and enforceability of the Purchase Agreement with respect to the Aircraft and the relevant Purchase Agreement Assignment.
- 3.5.4 Neither Frontier nor any Affiliate of Frontier shall amend or modify (except with the prior written consent of AMCK Aviation) or rescind, cancel or terminate the Purchase Agreement insofar as it relates to the Aircraft.

3.6 Aircraft Specification

- 3.6.1 Frontier undertakes that it will not take any action or omit to take any action that would result in the specifications of an Aircraft (including as to BFE installed thereon or delivered therewith) on the relevant Delivery Date varying in any material respect from the Specification, without AMCK Aviation's prior written consent. Any changes to the agreed Specification shall require the prior written consent of each party and shall be at Frontier's sole cost and expense. For the avoidance of doubt, any changes to the Specification shall not increase the Purchase Price for any Aircraft.
- 3.6.2 Revisions to the specification of an Aircraft that are made by the Manufacturer in accordance with the terms of the Purchase Agreement without the need for any consent by Frontier (any such revision being a "**Development and Certification Change**") shall not be considered revisions that require AMCK Aviation's consent

under Clause 3.6.1. Frontier shall as soon as reasonably practicable provide AMCK Aviation with a written copy of any such Development and Certification Change.

- 3.6.3 Frontier shall deliver to AMCK Aviation, promptly and in any event within three (3) Business Days after Frontier's receipt thereof, copies of all notices and other relevant correspondence from Manufacturer under the Purchase Agreement with respect to the Aircraft which affect or relate to the condition of the Aircraft or the delivery status.
- 3.6.4 Following the Delivery Date in respect of each Aircraft, Frontier will purchase and arrange for the installation on the Aircraft in accordance with the Specification (as the same may be updated by agreement between AMCK Aviation and Frontier in accordance with the terms hereof) each item of BFE which is scheduled to be purchased and installed by Frontier post-Delivery. Frontier and AMCK Aviation (for itself and on behalf of each Lessor) agree that the installation of such pre-agreed BFE as part of the Specification shall not be construed as a Change (as defined in each Lease Agreement).

of Default under this subclause unless such failure is not remedied within thirty (30) days after such written notice (or awareness by Frontier);

6.1.3 *Misrepresentation.* Any representation or warranty made or deemed to be made or repeated by Frontier in any Transaction Document or any other document delivered by or on behalf of Frontier under or in connection with any Transaction Document is or proves to have been incorrect or misleading in any material respect when made or deemed to be made or repeated and, if by remedying any situation or circumstance such representation or warranty would cease to be false or incorrect and such situation or circumstance is capable of remedy, and Frontier fails to remedy the same within fifteen (15) days after written notice thereof is given by AMCK Aviation to Frontier (or if earlier Frontier becoming aware of the same);

6.2 AMCK Aviation's Rights

- 6.2.1 Upon the occurrence of any Framework Event of Default and any time thereafter so long as the same shall be continuing, AMCK Aviation may at its option by notice in writing to Frontier treat such event as a repudiation by Frontier of its obligations under this Agreement or declare this Agreement to be in default; **provided that**, upon the occurrence of any Framework Event of Default specified in Clause 6.1.4 of this Agreement shall automatically be deemed to have been repudiated by Frontier and declared in default. - 6.2.2 No remedy referred to in this Clause 6.2 is intended to be exclusive, but, to the extent permissible hereunder or under applicable law, each shall be cumulative and in addition to any other remedy referred to above or otherwise available to AMCK Aviation at law or in equity; and the exercising or beginning of exercise by AMCK Aviation of any one or more of such remedies shall not preclude the simultaneous or later exercise by AMCK Aviation of any or all of such other remedies. No

express or implied waiver by AMCK Aviation of any Framework Event of Default shall in any way be, or be construed to be, a waiver of any future or subsequent Framework Event of Default.

- 6.2.3 Notwithstanding any termination or failure of Frontier to meet conditions precedent to AMCK Aviation's obligation hereunder to purchase and lease the Aircraft as set forth in Clause 2.2 and 2.3, AMCK Aviation shall retain its claims against Frontier for damages and all other rights and remedies provided for herein and in the other Transaction Documents or at law or in equity for a breach of any representation, warranty, covenant or condition contained herein and in the other Transaction Documents, including as set forth in the Lease Agreements in respect of an Event of Default.

recklessness or willful misconduct of Frontier or other user of any Aircraft; or (3) the breach by Frontier of any of its representations or covenants under this Agreement or any Transaction Document; **provided that**, the foregoing exclusions shall not be interpreted to exclude the making of any payment on an After-Tax Basis.

- 7.2.2 If a written notice of any claim is made against any Tax Indemnatee for any Taxes for which Frontier is required to pay or against which Frontier is required to indemnify such Tax Indemnatee pursuant to Clause 7.2.1, such Tax Indemnatee shall promptly notify Frontier thereof in writing. If reasonably requested by Frontier in writing within thirty (30) days of Frontier's receipt of notice of such claim, and to the extent that there are means available by which to do so, such Tax Indemnatee shall, **provided that** no Framework Event of Default shall have occurred and be continuing, in good faith diligently contest by pursuing all administrative appeals in the name of such Tax Indemnatee or, in such Tax Indemnatee's discretion if requested by Frontier, contest in the name of Frontier (or permit Frontier, in such Tax Indemnatee's discretion if requested by Frontier, to contest in the name of Frontier) the validity, applicability or amount of such Taxes by (a) resisting payment thereof, if practicable; (b) paying the same only under protest, if protest is necessary and proper; or (c) if payment shall be made, seeking a refund thereof in appropriate administrative and judicial proceedings; **provided that** (i) prior to taking such action Frontier shall have agreed to indemnify, and shall indemnify on an After-Tax Basis on demand, such Tax Indemnatee in a manner reasonably satisfactory to such Tax Indemnatee for all costs and expenses reasonable in amount and not improperly incurred which such Tax Indemnatee may incur in connection with contesting such claim (including all legal and accountants' fees and disbursements and the amount of any interest, penalties or additions to tax which may be payable as a result of contesting such claim) and shall have acknowledged in writing to such Tax Indemnatee its obligations hereunder to indemnify such Tax Indemnatee in respect of such Tax; (ii) AMCK Aviation shall have determined in good faith that such contest shall not result in a risk of sale, forfeiture or loss of, or creation of any lien on, the Aircraft; (iii) if such contest is to be initiated by the payment of, and the claiming of a refund for, such Taxes, Frontier shall have advanced to such Tax Indemnatee sufficient funds (on an interest-free basis and, if such Tax Indemnatee shall have determined in good faith that such advance results in taxable income to such Tax Indemnatee, on an After-Tax Basis) to make such payment; (iv) Frontier shall have received (and provided a copy to AMCK Aviation of) an opinion of independent tax counsel selected by Frontier (and reasonably acceptable to AMCK Aviation) that a reasonable basis exists for such contest; (v) Frontier shall have delivered to such Tax Indemnatee a written undertaking of Frontier's obligation to indemnify such Tax Indemnatee for the Tax being contested if the contest is not successful; (vi) the amount of the potential indemnity for which Frontier may be liable to pay such Tax Indemnatee under this Clause 7.2.1 exceeds US\$15,000 or the equivalent thereof; and (vii) the contest is not for a Tax the imposition of which has been previously contested by Frontier or such Tax Indemnatee, and such contest (including all allowable appeals) was decided adversely to Frontier or such Tax Indemnatee; and **provided further**

that, no Tax Indemnatee shall be under any obligation to take any action otherwise required of it under this paragraph if, in its bona fide opinion, to do so would, or would be likely, to have an adverse effect upon its business, operation or financial condition or any be prejudicial to it in any other respect. Nothing contained in this Clause 7.2.2 shall require such Tax Indemnatee to contest, or permit Frontier to contest in the name of Frontier, a claim which such Tax Indemnatee would otherwise be required to contest pursuant to Clause 7.2.2 if such Tax Indemnatee shall waive payment by Frontier of any amount that might otherwise be payable by Frontier under this Clause 7.2.1 in connection with such claim.

- 7.2.3 If Frontier is obligated to make any payment under this Clause 7.2, then without in any way limiting, reducing or otherwise qualifying the rights of the Tax Indemnitees under such provisions, each Tax Indemnatee shall consult in good faith with Frontier with a view to taking such reasonable steps as may be open to it (a) to avoid the effects of such circumstances; or (b) to avoid the need for Frontier to make payment pursuant to Clause 7.2 or to reduce the amount of any such payment; **provided that**, no Tax Indemnatee shall be under any obligation to take any such action if, in its bona fide opinion, to do so would, or would be likely, (i) to have an adverse effect upon its business, operation or financial condition; (ii) to result in its rights, interests or position under or in relation to the Transaction Documents being less favorable to it than would otherwise have been the case; (iii) to involve it in any unlawful activity or any activity that is contrary to any official directive, concession, guideline, request or requirement of any competent authority; (iv) to result in a breach of any of its representations, warranties, covenants or other undertakings under this Agreement or any other agreement to which it is, at the time, a party thereto; (v) to have an adverse effect on the registration of the Aircraft, or on AMCK Aviation's interest in any Aircraft or in the Transaction Documents; or (vi) to involve any expense, loss or liability (including transaction expenses) or tax disadvantage (unless indemnified or secured to such party's satisfaction).

7.3 Value Added Tax

- 7.3.1 For purposes of this clause;
- (a) "VAT" means value added tax and any sales or turnover tax, imposition or levy of a like nature; and
 - (b) "supply" includes anything on which VAT is chargeable;
- 7.3.2 Frontier will pay to AMCK Aviation the amount of any VAT chargeable in respect of any supply for VAT purposes under this Agreement; and
- 7.3.3 Each amount which Frontier must pay under this Agreement does not include VAT and if VAT is payable in respect of any amount, Frontier shall pay all such VAT and shall indemnify AMCK Aviation against any claims for the same (and where appropriate Frontier shall increase the payments which would otherwise be required to be made hereunder so that AMCK Aviation is left in the same position as it would

have been in had no VAT been payable); and Frontier shall provide evidence to AMCK Aviation in respect of payment of any such VAT.

7.4 Payments on After-Tax Basis

Each payment and indemnity made by Frontier under this Clause 7 shall be made on an After-Tax Basis.

7.5 No Deductions or Withholdings

Frontier shall ensure that all payments to be made under this Agreement shall be made in full without any deduction or withholding (whether in respect of set-off, counterclaim, duties, Taxes, charges or otherwise) unless such deduction or withholding is required by law, in which event Frontier shall:

- 7.5.1 ensure that any deduction or withholding by it does not exceed the minimum amount legally required;
- 7.5.2 on the due date for such payment pay to the payee such additional amount as shall result in the net amount received by such payee being equal on an After-Tax Basis to that amount which would have been received by such payee had no such deduction or withholding been made;
- 7.5.3 pay to the applicable taxation or other authorities within the period for payment permitted by law the full amount of the deduction or withholding legally required to be paid by it (including, but without prejudice to the generality of the foregoing, the full amount of any deduction or withholding from any additional amount paid pursuant to this paragraph); and
- 7.5.4 furnish to such payee, within thirty (30) days of payment of such Taxes by it either (A) an official receipt of the applicable taxation or other authorities for all amounts deducted or withheld as aforesaid or (B) if such receipts are not issued by the taxation or other authorities concerned on payment to them of amounts so deducted or withheld, a certificate of deduction or equivalent evidence of the relevant deduction or withholding.

7.6 Reports

Frontier will provide such information as may be requested by a Tax Indemnitee to enable it to fulfill its Tax filing or other information reporting requirements with respect to the transactions contemplated by Frontier's Documents. If any report, return or statement is required to be filed with respect to any Tax which is subject to indemnification under this Clause 7, to the extent legally permitted to do so Frontier shall timely file or cause to be filed the same (except for any such report, return or statement which such Tax Indemnitee has notified Frontier that it intends to file, or for income tax returns or any other return, report or statement which AMCK Aviation is required by law to file in its own name). Frontier shall either file or cause to be filed such report, return or statement required to be filed by it pursuant to the preceding sentence and send a copy of such report, return or

statement to such Tax Indemnatee, or, where Frontier is not so permitted to file such report, return or statement, it shall notify such Tax Indemnatee of such requirement and prepare and deliver, such report, return or statement to such Tax Indemnatee in a manner satisfactory to it within a reasonable time prior to the time such report, return or statement is to be filed and such Tax Indemnatee shall file such report, return or statement; **provided that**, the only consequence hereunder for failure to file such report, return or statement pursuant to this Clause 7.6 by such Tax Indemnatee shall be a loss of indemnification from Frontier in respect of Taxes resulting from such failure.

7.7 Continuation of Indemnities

The rights of each Indemnatee and Tax Indemnatee in respect of the indemnities contained in this Agreement, including in this Clause 7, shall continue in full force and effect in favor of each such Indemnatee notwithstanding the termination of this Agreement, any other Transaction Documents and/or the leasing of any Aircraft under any Lease Agreement for any reason whatsoever, and notwithstanding cessation of business of such Indemnatee or Tax Indemnatee, dissolution of such Indemnatee, Tax Indemnatee or Frontier, any change in the constitution of such Indemnatee, Tax Indemnatee or Frontier, any transfer or assignment by an Indemnatee or Tax Indemnatee of its interest hereunder, or any other fact, event or circumstance of any kind whatsoever, whether similar to any of the foregoing or not.

7.8 Computations

The results of all computations required to be made by a Tax Indemnatee pursuant to Clauses 7.2, 7.3, 7.4, 7.5 and 7.6, together with a statement describing in reasonable detail the manner in which such computations were made, shall be delivered to Frontier in writing which statement shall be conclusive and binding absent any manifest error in such certificate.

7.9 Forms

Each Indemnatee agrees to furnish from time to time to Frontier or to such other person as Frontier may designate, at Frontier's request and expense, such duly executed and properly completed forms as such Indemnatee may be permitted and legally able to deliver and as may be necessary or appropriate in order to claim any reduction of, or exemption from any Tax which Frontier may be required to indemnify against hereunder, unless such Indemnatee determines that furnishing such forms may have an adverse effect on the business or operations of such Indemnatee.

7.10 Survival

The indemnities and other obligations of Frontier under this Clause 7 shall survive the expiration or other termination of this Agreement.

8. FURTHER PROVISIONS

8.1 Nature of Frontier's Obligations

All obligations of Frontier under this Agreement shall constitute conditions, and the time for the performance of such conditions shall be of the essence.

8.2 **Benefit of Agreement**

Neither party may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the other party.

8.3 **Further Assurances**

Each of the parties agrees that at any time and from time to time it shall promptly and duly execute and deliver any and all such further instruments and documents and take such further actions as may be reasonably necessary in order to give full effect to this Agreement and the rights and powers herein granted.

8.4 **Rights Cumulative; Waivers; Variation; Counterparts; Language; Delivery by E-mail**

- 8.4.1 The rights of both parties under this Agreement are cumulative, may be exercised as often as the relevant party considers appropriate and are in addition to its rights under the general law. The rights of both parties against the other or in relation to the Aircraft (whether arising under this Agreement or the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing; and in particular any failure to exercise or any delay in exercising any such rights shall not operate as a waiver or variation of that or any other such right; any defective or partial exercise of any of such rights shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on the part of such party or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.
- 8.4.2 The provisions of this Agreement shall not be varied otherwise than by an instrument in writing executed by or on behalf of AMCK Aviation and Frontier.
- 8.4.3 This Agreement may be executed in counterparts each of which will constitute one and the same document.
- 8.4.4 All documents delivered to AMCK Aviation or required to be delivered pursuant to this Agreement shall be in English, or if not in English, will be accompanied by a certified English translation. If there is any inconsistency between the English version of this Agreement or any document delivered hereunder and any other version in any other language, the English version will prevail.
- 8.4.5 This Agreement and the other Transaction Documents (and the counterparts thereof) may be delivered by a party thereto by way of e-mail transmission to the other party and delivery shall be deemed completed for all purposes upon the completion of such e-mail transmission. A party that so delivers this Agreement or any of the other Transaction Documents (and the counterparts thereof) by way of

e-mail transmission agrees to promptly thereafter deliver to the other parties thereto an original signed counterpart. The e-mail signature of any party shall be considered for these purposes as an original document, and any e-mail document shall be considered to have the same binding legal effect as an originally executed document. In consideration of the mutual covenants herein contained, the parties agree that neither of them shall raise the use of e-mail as a defense to this Agreement or any of the other Transaction Documents and forever waive any such defense.

8.5 Evidence of Indebtedness

Except where expressly otherwise provided in this Agreement, any certificate or determination by AMCK Aviation as to any rate of interest or as to any amount payable under this Agreement shall contain reasonable details of the calculation of such rate or, as the case may be, amount and, if appropriate, the circumstances giving rise thereto and shall, in the absence of manifest error, be conclusive and binding on Frontier.

8.6 Notices

8.7 Invalidity of any Provision

If any of the provisions of this Agreement becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

8.8 Entire Agreement

This Agreement constitute the entire agreement between the parties hereto in relation to the subject matter hereof and supersedes all previous proposals, agreements and other written and oral communications in relation thereto.

8.9 Governing Law

This Agreement shall be construed in accordance with, and this Agreement and all matters arising out of or relating in any way whatsoever to this Agreement (whether in contract, tort or otherwise) shall be governed by, the law of the State of New York. This Agreement has been delivered in the State of New York.

8.10 Submission to Jurisdiction

8.10.1 With respect to any suit, action or proceedings relating to this Agreement or any matter between the parties arising under or in connection with this Agreement ("**Proceedings**"), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Each party hereby agrees that, subject to any rights of appeal, a final judgment in any such Proceedings shall be conclusive and may be enforced in other jurisdictions otherwise having jurisdiction over such party by suit on such final judgment or in any other manner provided by law. Nothing in this Agreement precludes any party from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

8.10.2 Frontier shall designate, appoint and empower Corporation Service Company (CSC) of 1180 Avenue of the Americas, Suite 210, New York, NY 10036 as its

authorized agent solely to receive and acknowledge, for and on its behalf, service of any writ, summons, order, judgment or other notice of legal process in any Proceedings. As long as this Agreement remains in force, Frontier shall maintain a duly appointed and authorized agent to receive and acknowledge, for and on its behalf, service of any writ, summons, order, judgment or other notice of legal process in any Proceedings. Frontier shall keep AMCK Aviation advised of the identity and location of such agent. Frontier irrevocably undertakes not to revoke the authority of such agent and, in the event of the termination of such appointment, or if for any reason Frontier's process agent is unable to act as such, Frontier will appoint a substitute process agent acceptable to AMCK Aviation.

8.10.3 Frontier further agrees that service of process in any Proceedings also may be effected by mailing a copy thereof by registered or certified mail or by overnight courier service, postage prepaid, to it at its address specified in Clause 8.6. Notwithstanding anything herein to the contrary, Frontier hereby waives, to the fullest extent permitted by applicable law, the right to object to the service of process by AMCK Aviation, with respect to any Proceedings. Nothing in this Agreement will affect the right of AMCK Aviation to serve process in any other manner permitted by applicable law or to bring any legal action or proceeding or to obtain execution of judgment in any jurisdiction.

8.10.4 Frontier irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, with respect to itself and its property (irrespective of its use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the fullest extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

8.11 Waiver of Jury Trial

EACH OF AMCK AVIATION AND FRONTIER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THAT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDINGS. Each of the parties hereby (a) certifies that no representative, agent or attorney of any other parties has represented, expressly or otherwise, that such other parties would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (b) acknowledges that it has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this paragraph.

8.12 Confidentiality

Each of AMCK Aviation and Frontier shall keep confidential any confidential information furnished or made available to them hereunder by the other party hereto, except:

- 8.12.1 each of AMCK Aviation and Frontier may make disclosure to the extent necessary to comply with the law, the valid order of a court of competent jurisdiction or the request of a regulatory authority;
- 8.12.2 each of AMCK Aviation and Frontier may make disclosure as part of its normal reporting or review procedure to its parent companies (and, in the case of Lessor, to the Owner Participant and its Affiliates), its auditors, its attorneys, its regulators and its advisors; **provided that**, such parent companies (and, in the case of Lessor, to the Owner Participant and its Affiliates), auditors, attorneys and advisors will be bound by the provisions of this Clause;
- 8.12.3 each of AMCK Aviation and Frontier may make disclosure to enforce its rights and remedies under this Agreement;
- 8.12.4 AMCK Aviation may make disclosures to any Lender or any potential Lender and to potential assignees and transferees and their respective auditors, attorneys and advisors, so long as AMCK Aviation obtains an undertaking of confidentiality from such persons in the terms substantially no less strict mutatis mutandis than this Clause; or
- 8.12.5 each of AMCK Aviation and Frontier may disclose such information as is in the public domain.

Notwithstanding the foregoing provisions of this Clause 8.12, each of AMCK Aviation and Frontier (and any employee, representative, or agent of AMCK Aviation or Frontier) is expressly authorized to disclose to any and all persons, without limitation of any kind, the U.S. federal and state tax treatment and U.S. federal and state tax structure of the transactions contemplated by this Agreement and the other Transaction Documents, and all materials of any kind (including opinions or other tax analyses, if any) that are provided to it related to such tax treatment and tax structure.

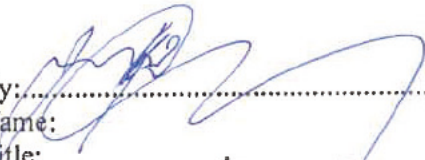

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized officers to execute and deliver this Agreement to be executed as of the date first above written.
